I am requesting funding for the **Dallas State Psychiatric Hospital project** in fiscal year 2023.

The entity to receive funding for this project University of Texas Southwestern Medical Center, located at 5323 Harry Hines Blvd., Dallas, TX, 75390.

The funding would be used to increase access to innovative care by renowned clinical faculty who will concurrently advance essential research to develop novel treatments. Patients from across the region will benefit from real-time, cutting-edge treatments developed by UT Southwestern. The added investment in brain scanning equipment will ensure that North Texas patients have access to leading edge treatments in the short term, and advance development of next-generation treatments in the long term.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
